- BY THE SPIRIT OF THOMAS HOOD. Why ask for a message to engin. From one who left earth broken-hearted; Who, even while revelling in migh,
- The aprenu and hitterness smarted! Why ask then for humor or fun, From one selved in poverty's lap-
- Herer known to be worth a "rap?" Chead I strive to beguie your tedium.
 With comething of mirth or jellity,
 Bull the wit which must pass through a medium,
- Can be but of medium quality. Yet I'll try to do what I am able, And I hope you will not be affronted, If a just which is forced through a table, sald come with its point somewhat blunted
- I don't like this system of suppling -Their story so seldom agrees; Whom they in their facts are caught napping,
- In fact, it is somewhat bewild'ring-Their credit it very much mare; When they give to a bachelor nine children
- They certainly make sad four poe. The practice of farniture lifting To my mind but little can prove When tide tables are constantly shifting.
- No wonder that loose ones should move Your great feats of raising the dead-With all due respect for your merits-Merely making too free use of spitite.
- But shoets are not much used to writing And I'll close this spirite, I think, Since none but the spirite of darkness Can properly dabble in ink.
- I'll conclude, then, my dear Mrs. Muliet And I hope it may seem to you good; But whether it's sprightly or doll, it is the last you will get from Tom Hood.
- "Wife! wife! our cow's dead-choked with a turnip !" "I told you so! I always knowed
- she'd choke herself with them turnips." "But it was a pumpkin-a darned big "Wal, it's all the same. I knowed
- a ninny like you, would feed a cow on pumpkins that wasn't chopt." "The pumpkins was chopt.
- ked her; 'twas the tray-the end on't is sticking out of her mouth now." "Ugh! Ugh! There goes my bread
- tray. No longer ago than yesterday, I told you the cow'd swallow the tray!" LUCID .- Stranger, to fat Dutchman. "Can you tell me where Peter Snider
- lives ? "Beter Snider ; yaw-turn der meeting house round, cross der river up stream by der mill pond, and take der right hand saw mill by der left, climb a hill and so better as I py a tam sight."
- was visited by a rustic youngster, who, finding it difficult to keep up the conversation, asked the girl, after an embarrassing silence had prevailed for some time. " if she knew of anybody that wanted to buy a shirt?"
 "No, I don't," she replied; "have you
- one to sell ?" "Oh, no," said he, "I only asked to
- had been for some days lying at the point the winter by this method, and with the I would like to know it. of death, was filling the air with his grief, best of hay she will not come out in good VALUABLE RELICE.—Among the relics when he happened to look up and beheld condition. when he happened to look up and benefit condition. Warm stables are a substitute for fooder, and an animal sheltered to be a consecrated host, the was so frightened at the apparition, them is much more easily kept in high the was basely able to stay our into the Frontier!

 Then he was basely able to stay our into the Frontier in the Escurial, the Queen of spain's paltare are said to be a consecrated host, so years old, in a shrine of silver; a VADE HANSAS!
- "Do my wars deceive me?" said Augustus Fitzpop, in a rapture, at the opera; "can hese be sounds of Heaven, or do my ears deceive mo ?"
- "Your ears may deceive you," said old Roger, in a semi-audible voice, "but they don't deceive anybody else-they are the only true index we have of your character.
- sleeve, in the middle of the service. "Sir, put them up. sir, I must speak to you immediately." Well, then, what is the matter ?"
- "Why, sir, you are going to bury a man who died of the small pox, near my poor husband, who never had it."
- In one of the courts, lately, there was a
- Fred, the Prince of wags, was getting home rather late, and a little happy. when, passing by a dark alley, a huge two fisted fellow stepped out, seized him by the collar, and demanded his money. "Money!" said Fred; "money; I have if the bone is any affected. Take good rubbed with the inside rind of fat uncook-

LAW AND AGENCY.

A FTER the month of June, the undersigned A will give his attention to business generally in the Court of Claims, and in the other Courts held in the District of Columbia—also, to mat-ters pending in Congress and in the several De-partments, in which claimants may require coun-. He will not be prepared before

July to enter into correspondence on such business, as his time will be wholly engrossed until July in closing up his affairs connected with the American Organ.

The undersigned, having obtained, during the twenty odd years which he devoted mainly to Revolutionary Claims, at Washington, a large amount of facts and proofs connected with the services of officers of the Revolution, and having a complete list of all those Continental Officers who were promised half-pay by the several resolves of Congress, and of those also whose widows and children were entitled to "seven years' half pay" under the revolve of 24th August 18 and 18 and

ents, giving them such information as they may require before engaging his services, and which Circulars will save much time and labor in correspondence. They will be sent to all who may desire them.

He will also be prepared to furnish to those who may require them (and for a reasonable compensation) full and complete lists of the Officers of the Continental Army whose cases are embraced in the hills which have been pending in Congress for the last the continental are continental army whose cases are embraced in the hills which have been pending in Congress for the last the continental army whose cases are embraced in the hills which have been pending in Congress for the last the continental army whose cases are embraced in the hills which have been pending in Congress for the last the continental army whose cases are such as the continental army whose cases are embraced in the hills which have been pending in Congress for the last the continental characteristics and which is attribute sufficient to those they made the continental army whose cases are embraced in the hills which have been pending in Congress for the last the continent army whose cases are sufficient to those the continental army whose cases are embraced in the hills which have been pending in Congress for the last the continent army whose cases are sufficient to those the continent army whose cases are sufficient to those the continent army whose cases are sufficient to the continent army whose cases are sufficient in Congress for the last two or three years, and on which, as before stated, favorable action has been had in each House at different sessious of

Desirous of placing within the reach of all the descendants of Revolutionary Officers the means of ascertaining whether or not the names of their ancestors are found upon the authentic rolls of the Army, among those embraced in the bills referred to, the undersigned will furnish for published. lication, to all publishers of newspapers who will give this advertisement three insertions in their papers respectively (and send a copy thereof to him) full lists of the officers aforesaid for the thirteen original States. The publication of these lists will effectually remove one main objection to the proposed bill which has been raised by some members of Congress, to-wit: that these claims were known enly to agents, who would charge exorbitant commissions for the presecu-tion and recovery of them, leaving but little to the claimants

If claimants, with a full knowledge of their

rights, think proper to give one-half, or any other portion of their claims to their attorneys, the government has no right to complain. If members of Congress, instead of fulminating their wrath against agents, would procure the publication of the lists of claims embraced in every And Every Variety of Gents' Furnishing Goods.

Buff, Plain & Fancy Envelopes & Cards, they would render a far more valuable service to their constituents, than by opposing a law to pay just claims on the pretext that agents will receive large fees for their services.

It is not, however, the purpose of the under-

re curing the Sick to an extent never before known of any Medicine. INVALIDS, READ AND JUDGE FOR TOURSELY?

FULES HAUEL, Ess., the well known perione, a Chestnat Street, Philadelphia, whose choice reason are found at almost every toilet, mays:

"I am helpsy to my of your Carnarue Pitta, the have found them a better family medicine, for come use, than any other within my knowledge. Many of which have realized marked benefits from them, not a jucide with me to believing that they possess extraction wirtues for driving out discusses and curing the archivaries for driving out discusses and curing the archivare not only effectual, but safe and pleasant to be takengulities which must make them valued by the reason when they are known."

The venerable Chancellor WARDLAW writes to

"Pa. R. R. Office, Philodophic, Dec. 13, 182

"Pa. R. R. Office, Philodophic, Dec. 13, 182

"Sir: I take pleasure in adding my testimony as efficacy of your medicines, having derived vary mans benefit from the use of both your Fectoral and Cating Pills. I am never without them in my family, nor that ever consent to be, while my means will procure than two consents to be, while my means will procure that worth, N. H., writes:

"Having used your Cathannic Prize in my peating," extify from experience that they are an invaluable practive. In cases of disordered functions of the liver, camp headache, indignation, contiveness, and the great trace of diseases that follow, they are a surer remody that my other. In all cases where a purgative remody a record

of diseases that actions, they are a surer remody that as other. In all cases where a purpative remody a region, I confidently recommend these Pills to the polic; as superior to any other I have ever found. They as as in their operation, and perfectly safe—qualities wis, make them as invahiable article for public ass. I has for many years known your Cherry Fetcherd at the as-for many years known your Cherry Fetcherd at the as-to-many self-interest and these Pills are in a wise inferior to that admirable presentation for the-

With what been you realize what I have suffered, and he imagined when you realize what I have suffered, and he iong.

"Never until now have I been free from this loathers disease in some shape. At times it attacked my system made me almost blind, besides the unreadurable pain; a others it settled in the scalp of my head, and destroyed as hair, and has kept me partly baid all my days; sometime it came out in my face, and kept it for months a raw sen it came out in my face, and kept it for months a raw sen is hanter. Fills, and now am entirely free from the complete. My system are well, my skin is fair, and my hair has memored a healthy growth; all of which makes us he already a new person.

"Hoping this statement may be the means of corrects information that shall do good to others, i am, with real sentiment of gratimole, Youre, &c.,

MARIA RICKER."

widows and children were entitled to "seven years' half pay" under the resolve of 24th August, 1780, will be prepared to prosecute such claims, if the bill reported to pay such claims, hitherto favorably acted upon in both Houses of Congress, at different times, shall become a law and of this but little doubt is entertained.

The undersigned will also give his especial attention to those Virginia Bounty Land Claims and Virginia half-pay Claims, which remain unadjusted, and also to any and all other classes of demands upon the Government, which may be of sufficient magnitude to afford a reasonable compensation.

Prompt attention will be given to the collection of individual debts, and to all professional business in the Courts of the District.

The undersigned will a professional business in the Courts of the District.

The undersigned will be prepared by the 1st of July, to furnish Girculars to all correspondents, giving them such information as they may require before engaging his services, and which
